PROFESSIONAL EXPERIENCE

Jiffy Lube/LBT/Management Training, Phoenix AZ
03/2010-Present

I have currently completed all training courses pertaining to Upper Bay Tech, Lower Bay Tech, Customer Service Advisor, and Team Leader positions. Duties and responsibilities include bringing cars into the bay safely, completing initial checklist, advising the customer on the condition of his/her vehicle and the services that we perform along with costs and time estimates. Completing services and tasks requested by customers in a timely manner. Keeping lower bay and upper bay fully stocked and clean.

Euro Fresh Harvester/Agriculture Worker, Wilcox AZ
06/2008-02/2010

I was responsible for all aspects of produce from harvest, packaging, and shipping so that the product met the suppliers' deadlines. I also was in charge of maintaining a safe work environment and equipment.

Owner/Operator – Handyman, East Patchogue, New York
01/1990-12/2002

Worked on a variety of positions maintaining equipment and helping a various small/ medium companies plus homeowners.

Owner/Operator - 110% Drywall, East Patchogue, New York
01/1990-12/2002

I was responsible for all areas of the company from working with and maintaining crews, obtaining and pleasing customers, finances, scheduling, and multi-tasking. Timely and an outstanding high quality of service and dedication to my customers was the foundation of my company and work ethic.

PROFESSIONAL EXPERIENCE CON'T

Production Planner - Izumi International, Yaphank, New York**01/1989-01/1990**

Produced and established production schedules within the parameters set forth by Ford Motor Company, while working closely with a variety of departments from manufacturing, purchasing, and shipping. Met and maintained positive relationships between Izumi and Ford Motor Company.

Operations & Warehouse - U.S. Lock Inc., Deer Park, New York**02/1987-01/1989**

Coordinated all phases of shipping, receiving, purchasing, storage, maintenance, and inventory control. I was promoted three times within 3 years and traveled to help set up new satellite facilities around the country. I excelled in all departments because I insured timely and efficient service with a focus on customer satisfaction.

EDUCATION

Eastern Arizona College**4/2009 – 2/2010****HVAC Technical School**
