

# Our Mission

C2C is a women-led, place based, grassroots organization working for a just society and healthy communities. We are committed to systemic change and to creating strategic alliances that strengthen local and global movements towards social, economic and environmental justice.

# What is Food Justice?

- ❖ Healthy food produced in an affordable and sustainable manner without exploiting farm workers, the land or family farmers
  - ❖ The concept that society should arrange its relationships so that everyone has sufficient healthy food
  - ❖ The idea that how and what a community eats should be placed squarely in the context of community building and social change.
